

AHA's Housing Recovery Resource Center (HRRC) is hosting a seminar on **"THE SANDY RELIEF HOME ACCESS PROGRAM"**

Information will focus on the program benefits:

- ❖ Provides home accessibility to eligible applicants
- ❖ Accessibility options include modular ramps (aluminum, steel or wood), with stair glides
- ❖ Vertical platform lifts available in situations for which ramps are not deemed feasible

Monday April 20th, 2015

3:00-5:00 p.m.

Housing Recovery Resource Center

171 First Ave., Atlantic Highlands

Call to register: (732) 982-5072

Funding is available for accessibility modifications for individuals with physical disabilities whose primary residence has been impacted by Sandy.

NJ Department of Human Services
