A Message from the Chief of Police, Michael J. Woodrow

On behalf of the men and women of UBPD, I wish to welcome our residents and visitors alike to the much anticipated and exciting 2024 Summer Season! That said, school is out, which equates to an exponential increase in pedestrian/cycling, jogging, traffic, etc. Please remain vigilant. Contact the UBPD Traffic Safety Bureau (732-264-0313) if you have any traffic concerns or issues.

Please follow the official Union Beach web site for updates regarding the Army Corps beachfront project, as well as the UBPD social media sites (Facebook, Instagram, etc.).

We continue to ask everyone to remain cognizant of the many moving parts that encompass the beachfront project (parking, traffic, restricted areas, etc.). If an issue arises, or if you simply have a question, please give us a call. Together we continue to keep our beautiful community clean and safe through education, partnerships, and enforcement.

In anticipation of our centennial anniversary, the UBPD is in the process of planning numerous exciting events. If you have any photographs of the force over the course of the last 100 years, please feel free to send them to our social media site(s) inbox. UBPD responds to an average of nearly 12,000 calls for service per annum. No job is too big or small for our internationally recognized professional police officers. We truly live in the best town in the State, not just due to the scenic beauty, but most importantly, due to the residents! The fabric of America!

Respectfully, Chief of Police Michael J. Woodrow [NJ State Accredited "Advanced" Chief Executive]

Monmouth County has partnered with EZ Ride to provide essential transportation services for residents who may face challenges accessing necessary wellness resources.

The program was designed to support Monmouth County residents by providing transportation services for essential needs such as doctor's appointments, pharmacy visits, health department events, and access to food shopping and pantries.

Guidelines include:

- MUST have a working cell phone
- Each person will be allowed to make two round trip rides a week pending approval of need
- Rides are limited to the resident and one additional person
- If children require a car seat/booster seat, it is the responsibility of the parent/guardian
- Must be able to get in and out of the vehicle with gentle assistance (no wheelchairs)

For more information email MCTransportCoordinator@co.monmouth.nj.us or call 732-431-7448.

Red Flag Warning!

The National Weather Service issues a red flag warning when the three elements that increase wild-fire risk are present.

These conditions include:

- Hot temperature: makes everything dry and easily combustible
- Very low humidity: dry air dries out vegetation further, increasing fire risk
- Strong winds: can quickly fan small fires into infernos

But wait, this is Union Beach! This is not a forest! That is correct, but we are susceptible to wild-fires! Union Beach is surrounded by marsh grass which burns fast and furiously. EVERYONE needs to be aware of these conditions and use caution when a red flag warning is issued.

Watch all smoking materials, extinguish all outdoor fires completely, do not throw charcoal on the ground, never leave a fire unattended. There shall be no open burning during a red flag warning. Throw out dry plants and landscape wisely around your home. Keep mulch moist during hot, dry days. Keep mulch away from combustible materials.

Let's keep Union Beach safe by following these suggestions. Pay attention to any red flag warnings issued by the National Weather Service.

THE BOROUGH OF UNION BEACH WISHES TO CONGRATULATE ALL 2024 GRADUATES!!

Message from the Code Enforcement Office

The Code Enforcement office would like to thank all those residents who are helping to keep our town looking beautiful.

We are still asking for help with the following items:

1. Yards should be well maintained. This includes removal of rubbish and debris, cutting of grass, removal of weeds, etc. This includes front yard, rear yard, and any grass on adjacent curbs. We will be placing a large emphasis on exterior maintenance of properties throughout this upcoming season.
2. All empty lots must be identified with either the property address, or the block and lot numbers. It must be large enough to be read from the street and placed in a location that is visible from the street.
3. All homes must have a house number that is large enough to be visible from the street. You never know when an emergency will hit, and the first responders will have to try and locate your home.

Thank you in advance for helping to keep our town safe and clean during these next few months.

Grace United Methodist Church

Grace United Methodist Church is located at 115 St. James Ave. in Union Beach. We are a small, but very friendly church. We welcome everyone. If you would like to be part of a small, friendly group of people, try us out! Our weekly Sunday services start at 9 a.m. led by Pastor Gene Chamberlin. Scott Woolley, Certified Lay Speaker, and Donna Bondi, Lay Servant, assist during our services, as well as our acolytes. Our Sunday School meets every Sunday morning at 9 a.m. If you are unable to attend in person, our service is live-streamed on our Facebook page.

Our community outreach programs include NA groups that meet every Sunday and Monday, and a yoga group that meets on Wednesdays. We also have a bereavement group for those that have lost a child. This group meets on Thursday evenings at 7 p.m. If you would like further information, please contact our church and we will arrange for someone to get in touch with you.

We are still accepting gently used clothing, shoes and towels/sheets/linens, which will be shipped to countries in need. Donations may be placed in a plastic bag and dropped off in front of the garage located at 122 Floyd Avenue, next to the church parking lot.

We are planning for our 100 year anniversary in 2025. If anyone has any information on the history of Grace, including pictures, please contact the church.

If you are in need of prayers for yourself, or anyone else, please contact the church and we will add your request to our prayer list. Pastor Gene will be happy to speak to anyone in need. You can contact the church at 732-264-0916 to leave your information, and someone will return your call. Our email address is GraceUnitedMeth@optonline.net. Please follow us on Facebook at Grace UMC Union Beach.

As always, we ask for God's Blessings on all who are reading this, your families and friends, our first responders, and our men and women serving in our Armed Forces. We keep all of our children in our prayers, and we pray for protection and guidance for them.

We ask for God's blessing on all of those children and young adults who will be graduating this year, and we ask God to guide them, as they follow their hearts, as they begin new chapters in their lives. We ask that He cover all of us with peace, love and protection. We pray for peace on earth! God bless!
